

Romeo & Juliet

by William Shakespeare

The Montague and Capulet families have been feuding for a long time, and violence repeatedly breaks out in the streets of Verona. Romeo (a Montague) and Juliet (a Capulet) fall in love and marry - secretly, without their families knowledge.

When Julia's father wants to force his daughter to marry someone else, the desperate Julia decides to take a drastic step...

White Horse Theatre performs the classic in an abridged form and, in addition to an unconventional implementation of the material, also has a good dose of humor in store.
